## Project Overview:

Ravensbourne University London is a digital media and design university, with vocational courses in fashion, television and broadcasting, interactive product design, architecture and environment design, graphic design, animation, moving image, music production for media and sound design.

**Service:** Disabled Access Audit

**Location:** London

## Challenges:

The audit was carried out by our team of trained, in-house auditors within a short time frame.

## Results:

A bespoke report was subsequently produced for the client which allocated costs and priority ratings to each recommendation, allowing the client to budget for the works accordingly.
