Project Overview:

Evans Jones successfully completed the monitoring and updating of a Travel Plan for a 120 bedroom Travelodge Hotel in High Wycombe.

Challenges:

An initial Workplace Travel Plan was agreed in 2013 which set out how Travelodge would seek to minimise the impact on travel and traffic from the development of this hotel with a particular focus on the reduction of single occupancy car trips.

Service: Change of use

Location: High Wycombe

Results:

The Monitoring Report was prepared as part of ongoing requirements of the planning permission for this development and updates the initial Travel Plan with details of the latest data and analysis regarding staff travel to work patterns.
